iDesign
your ideal ID Card Software

iDesign Software Update

Date	Thursday, 13th January 2011
Subject	iDesign Software Fixes and Enhancements

The purpose of this Update is to announce an update to the iDesign Card Software. Refer to the earlier update note on new features for v5.x.

Please refer to below table for version details.

Version	Corrected Problems
5.1.4	- Fixes to allow users to make use of iDesign even as a Standard User

The latest new release either for demo or retail version, both is available for download at www.idesign.sg/downloads/iDesign5.x/setup.exe

If you have any questions, please contact me at hweelee@idesign.sg or
Main: +65 62882112 or DID: 6307 9379.

Thanks.

Regards
Hwee Lee Tay
